FOR U FROM DE'SHA FROM THE CUP

Pop/R&B artist De'Sha recently recorded vocals for his new album For U with engineer David Henszey at Santa Monica's Cups "n Strings Studios. Henszey utilized the studio's collection of classic analog gear alongside his Apple G5 2Ghz Dual Processor with Cinema Display, and ProTools with Digi 002 controller. The album is slated for spring release on the Signature Gold Entertainment label. Pictured (L-R): De'Sha, studio owner Bruce Maddocks, and (seated) David Henszey.
