HOPPER PROVIDES VOICE AT CUPS 'N STRINGS

Renowned actor/director Dennis Hopper has added his distinctive voice to Navtones' growing list of celebrities who provide exclusive voice content for GPS navigation systems. Navtones downloadable self-installed content allows users of vehicle and personal navigation systems to choose from a variety of real celebrity voices by which their audible turn-by-turn directions are delivered. Pictured in session at Cups 'N Strings are (L-R): Navtones CTO Jeff Palm, Dennis Hopper, and Navtones CEO Will Andre.
