

CASE PULLS SOME STRINGS

Trailblazing folk-rocker Peter Case stopped by L.A.'s Cups 'n Strings Studios to transfer new 16 track analog material to ProTools for his upcoming album *Who's Gonna Go your Crooked Mile? Selected Tracks 1994 - 2004*. As founder of the Plimsouls, Case has enjoyed a flourishing career as a solo artist for the last two decades. Pictured (L-R) Joshua Casem Peter Case, Mike Meltzer, and Cups 'n Strings owner/chief engineer Bruce Maddocks.
