## NOWELS SIPS FROM THE CUP

Producer/composer Rick Nowels recently produced vocal sessions at Los Angeles' Cups 'n Strings Studios with artist Shaznay, who was at London's Sphere Studios. ProTools session files were sent via FTP on a dedicated T1 Internet connection. Listening and communication between the two studios was conducted by ISDN via Dolby Fax. Seen during the global session are (L-R): engineer Chris Garcia, Nowels and studio owner Bruce Maddocks.
